There is less change in wedding rings than

in anything else in the jewelry line. The

wedding ring is about the same to-day as if was a century ago. The marriage token can

hardly be improved upon. It is a ring of pure

gold. It is softly rounded, and if you hang it

which carry no significance, except, perhaps,

In some instances a hint of the pos-nession of wealth. Twenty-five years

agait was unusual to see a woman wearing

their dress, they jumble diamonds, rubles,

pearls garnets, and other precious stones to
